

## Information for HSG PhD Students to register for GSERM Courses

Registration for the following GSERM courses needs to be done via bidding and **additionally** via GSERM as from March 1, 2020:

- courses for the curriculum
- voluntary courses **with** an exam. These will be listed on the score card under optional work **(only possible if all required elective courses have already been completed)**.

The bidding round for spring semester 2020 lasts from January 23, 2020, 15.00 h to February 5, 2020, 12.00 noon. Until February 28, 2020, noon, registrations or cancellations of courses can still take place via PhD Office.

Registrations solely **through** GSERM take place as from March 1, 2020 for

- voluntary courses **without** an exam
- voluntary courses if not all required elective courses have been completed (not shown on the score card)

Earlier registrations have to be kept pending and will not be worked on.
