

Information for HSG PhD Students to register for GSERM Courses (January 2020)

Registration for the following GSERM courses needs to be done via bidding and **additionally (all students)** via GSERM as from September 20, 2019:

- Courses for the curriculum
- Voluntary courses **with** an exam. These will be listed on the score card under optional work (**only possible if all required elective courses have already been completed**).

Please note: all DOK students register for the GSERM courses with the form:

<https://forms.gle/FHufMTvkfyYps2Yu8>. Please note: GSERM courses are not part of the DOK Curriculum.

The bidding round for Autumn semester 2019 lasts from August 22, 2019, 15.00 h, to September 4, 2019, 12.00 noon. Until September 18, 2019, noon, registrations or cancellations of courses can still take place via PhD Office.

Registrations solely **through** GSERM take place for

- Voluntary courses **without** an exam
- Voluntary courses if not all required elective courses have been completed (not shown on the score card)

The registration via GSERM can only be made as from September 20, 2019. Earlier registrations have to be kept pending and will not be confirmed.

The course costs total CHF 100 for PhD students who need the courses for the curriculum and CHF 100 each course for voluntary attendance.
